

Welcome to Harrison Catering Services

We are opening the doors to a superior dining experience at the Rutlish School restaurant where you will be able to tuck into — Whatever you fancy!

Every menu from wonderful Breakfasts to heart warming lunches change with the seasons so we are only ever using seasonal ingredients when they really are at their best. We rotate your menus on a 3-week basis so you will be able to enjoy innovative and regularly changing both your favourite dishes and some new ideas.

Your feedback is priceless to us so we will actively work with students, parents and teachers alike to create a service that is uniquely Rutlish!

With a mix of traditional and contemporary main meals, sides and desserts, together with an ever-changing range of street food and our own 'one-pot' concept dishes, we hope to appeal to every palate whether you are eating in or on the go.

We offer a complete range of freshly prepared sandwiches, bloomers, baguettes, salads and jacket potatoes too.

Your kitchen has its own trained Chef and Catering team where every dish is created freshly each day on site — bringing the best meals on offer directly to your school doors.

Watch out for our range of monthly promotions and deals available. Just check out the posters at the counter or on our website.

If you require any further information or have any feedback, please make contact with our Chef Manager on site who can be reached at Rutlish.school@harrisoncatering.co.uk
