Free BT Wi-Fi vouchers

BT are offering schools free Wi-Fi vouchers to enable students in need to access the internet at home. BT are aware that being connected is more important than ever but that many children still face difficulties accessing the internet at home. Supporting children's education in these difficult times is a priority for BT.

Schools can apply for a limited number of free Wi-Fi voucher codes to give to their most in-need pupils to distribute to pupils aged 16 or under who don't currently have adequate access to internet connectivity at home. We will be allocated vouchers in proportion to the number of pupils who are eligible for free school meals.

If you would like the school to apply for a voucher please complete and submit the form below:
