

Rutlish PE Weekly Sports Roundup

Extra curricular Excellence

★ The PE staff would like to thank all parents for their support with Sport and PE at Rutlish this year! We would also like to thank and congratulate all students who have participated in extracurricular clubs and represented the school in fixtures! This is a great achievement and we look forward to seeing you all next year!

★ A truly great year for Sport at Rutlish! Throughout the course of this academic year, we have competed in over 250 fixtures, won Borough leagues in Football and Rugby, had unbeaten seasons, entered leagues for the first time, and reached London and Surrey finals!

★ Our Rowing team went to the Olympic park and competed in London youth Rowing Water regatta, and returning victorious! What an Achievement, well done!!

★ The cricket season was one to be proud of for our Year 7 team, reaching the final in both of our Cup competitions and finishing unbeaten in all our games! (Apart from the 2 finals unfortunately).

★ During Wimbledon Tennis championships we had 10 boys representing Rutlish as Ball boys. They were all highly commended for their standards with Josh T being selected for the Men's final presentation event, carrying Novak's Bag!

★ An amazing evening for Sports Awards 2022! Over 270 students and parents came to celebrate a year of sport and PE at Rutlish! 65 Trophies and awards to reward our students for their hard work, commitment and dedication to sport! Huge congratulations to all that attended and won an award.

| Team | Most Improved - winner | Player of Year - winner |
|--------------------------------|------------------------|-------------------------|
| Yr7 Football | Mio | Keegan |
