

Rutlish PE Weekly Sports Roundup

Extra curricular Excellence

★ An outstanding turnout over the last few weeks at Athletics club for Years 7 and 8. The students are working hard in all events. It's great to see how much progress everyone is making, long let it continue to make a very competitive Borough Athletics meet and sports day!

★ Congratulations to our rowing students on the river Thames. They are having a great time and learning lots, helping develop their rowing technique.

★ Follow [@RutlishSport](https://twitter.com/RutlishSport) on Twitter for up to date pictures and results of all clubs and fixtures taking place.

★ A fantastic turnout for the first sessions of Lions Basketball at Rutlish. Andrew, the coach, has been very impressed by the standard of all who attend and their willingness to listen and learn to help develop their skills. Well done! Keep up the hard work!

★ An unfortunate week with Cricket fixtures due to postponed fixtures this week, however best of luck to our Yr7 Cricketers in their fixture on Friday afternoon and all boys playing next week!

Next week's fixtures....
