	<p><b>LITERACY</b> As part of our Literacy drive, we are pleased to announce that we will shortly be trialling a reading programme for Y7, Y8 and Y9 for the next 12 months. It is called Scholastic Reading Pro and allows us to assess students' reading and comprehension levels. After their initial assessment, students will be directed towards our very wide range of books to read and on which they can take quizzes (similar to Accelerated Reader) with a view to developing their reading skills. Students will be further assessed in the Autumn and Spring terms. We hope this will encourage students to focus on developing their literacy, for their reading enjoyment and to promote progress across the whole curriculum. Ms Jones Literacy Coordinator</p>
