YEAR 12

RR6 Year 12 Higher Education-UCAS Information Evening for Parents/Carers

We are holding a Higher Education Information Evening- UCAS for Year 12 parents/carers on Thursday 5th May 2022 from 5.45 - 7:00pm in the **Main Hall at Ricards Lodge High School**.

The evening will provide more information about choosing courses and universities, student life and student finance. It is vital that students and families have a clear understanding of how the current UCAS process works and have access to all the information they need to make really confident choices at this important time in their lives. The evening will cover material your child is receiving in PSHE and tutor time.

We hope you will be able to attend and we very much look forward to seeing you there. The information shown will be sent out to parents/carers the following day.
