MEDICAL CARE PLAN REVIEWS

As we head towards the end of the academic year Mrs Parchment will be in contact with families/carers before the end of term to review existing Medical Care Plans but please do not hesitate to contact her directly if there is anything you feel she might need to know over the coming weeks. As per the school policy students must not carry any medication on their person. Ali.parchment@rutlish.merton.sch.uk

SCHOOL NURSING IN MERTON

Merton Young Inspectors have worked in collaboration to make a survey looking at young people's experience with school nurses. We would really appreciate it if you could take 5 minutes to complete this. The survey does not ask your name or address. The survey does ask some questions about you and where you live. We will use this information to see if there are any groups who have experiences in common. We will bring your views together in a report and use them to make improvements. *The survey will end on 30th June at 12.00 noon.* The survey can be accessed here : [Survey on School Nursing in Merton](#)

This is a great opportunity to hear about what young people have to say so don't miss your chance to get involved! Thank you.
