

Resources for school staff wellbeing

COVID-19 is having an ongoing impact on our work and personal lives. Maintaining and promoting staff wellbeing is especially important during challenging times such as this. There are a lot of resources available for promoting staff wellbeing, including specifically for staff working in the education sector. This document aims to signpost and provide quick links to some of the support that is available. The list is not exhaustive, and many other useful organisations and services exist, but it is hoped that the links below will help to navigate you to key resources.
