

Staff handbook

Working remotely

1. Go to school website, working at Rutlish, staff links: [Rutlish School - Staff Links](#)
2. Click on staff links box and then log in.

3. Click on remote session connection. This will take you to the network.
4. You can access the other applications from the staff links page.
5. If you need camera and sound for TEAMS teaching or School Cloud please log in directly to the link from your staff laptop not via the remote session.
