Dear Parents/Guardian and Young person

The COVID-19 vaccination is being offered to your child aged between 12 – 15yrs. Your child will receive their first COVID-19 vaccination in school.

Hounslow and Richmond Community Healthcare NHS Trust (HRCH) Covid 19 Vaccination team will be visiting your school to carry out these vaccinations.

The leaflet sent with this form includes more information about the vaccines currently in use. Information about the Covid 19 vaccination will be recorded on your child's health record.

Please discuss the vaccination with your child, then complete this electronic consent form in the link <https://hrch.covid.vaccination.consent.Merton.sept.2021> **No vaccination will be given without explicit parental consent.**

Your child may not be vaccinated on the day the team are in school, we will liaise with the school to arrange a follow up visit
