19th June 2020

Dear Parent/Carer

I hope you and your family are well.

I am pleased to say that the first few days of Year 10s return to school has gone well and the boys have been exceptionally mature and engaged in their lessons. As a school we continue to monitor the Government regulations and will react appropriately to any relaxation in these regulations.

In addition to lessons in English, Maths & Science we are providing some additional support on Fridays for optional subjects and RE. Some parents will have already received an invitation to these sessions for this week and we anticipate informing parents on a Monday if we require their son to attend on the following Friday. Under the current regulations it will not be possible to provide support for all students across all subjects.

Examinations in 2021

The national media has been speculating about how this pandemic will impact on examinations in 2021. Ofqual are due to publish their approach in the next few weeks. It is clear that a number of options are being considered including reducing the assessment, reviewing Non Examination Assessment (Coursework) and starting the summer examinations later. As soon as Ofqual publish their approach we will contact you.

If you have any queries surrounding the content of this letter then please do not hesitate to contact me at the school.

Yours faithfully,

Brendan Gormally
Associate Headteacher
