Please make sure students are ready for their return; does their uniform fit, is there money on their lunch account, do they have the correct equipment for lessons, do they have a water bottle and, finally, do they have a face covering?

We will be operating a one way system around school to support social distancing, a map is attached to this email for you to share with your child.

All of us are really looking forward to seeing the students back in school.

Kind regards

Ms Howarth
