

KS5 Bulletin No.3 26/2/21

Dear all

We hope you are all well and safe. Firstly, let us just say how excited we are to have you back in school soon! Lots of information will be coming your way in the next couple of weeks, so please do ensure you are communicating with your parents/carers about correspondence they receive from the Head teachers, and keep an eye on your own email accounts and Posts on Google/Teams, too.

You have done so well managing with online learning and so we encourage you to continue to stay level headed and carry on the foundations you have laid moving forward. We know there is still uncertainty but with rigorous planning from all the staff happening as you read this, there is more and more light at the end of the tunnel every day.

Ms Long, Mrs Bremner, Mrs Day

Dear Year 12 (and 13)

My name is Dr Mo, I work as a GP in Coventry. We are trying to help students during this pandemic, considering the lockdowns and disruption to studies that have occurred, and are organising **FREE** monthly webinars for students who wish to study Medicine at University.

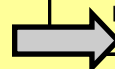

Our next Online talk is on the **14th March 2021** when 2 UK doctors will talk about the journey of a doctor through the NHS. This will be an excellent opportunity for students to hear from doctors and understand the requirements to get into Medical School and beyond.

Please find the links below to register.
