Sodexo	No	Yes	No

- * Supervised means on a regular and day to day basis and does not reduce overtime. The supervision must be 'reasonable' in all circumstance to ensure the protection of children
- * Contractors are often thought of as solely tradesmen; however, this group may include after-school club leaders, enhanced curriculum providers, music teachers, sports' coaches, consultants and interim management staff. Where contractors are self-employed, we will consider undertaking a DBS check for them as they are unable to make an application themselves.
